# Fig Tree Creek Markets

*First Sunday each month at Ross Creek Roundabout Yeppoon QLD*

## 2016 STALLHOLDER GUIDELINES

### OVERVIEW

Fig Tree Creek Markets are organised by Keppel Coast Arts and held on the first Sunday each month, adjacent to the Capricorn Coast Tourist Information Centre at Ross Creek Roundabout, Yeppoon.

Fig Tree Creek Markets offer stallholders the opportunity to display, demonstrate and sell unique, handmade, locally designed, home baked and home grown products.

KCA encourages a markets atmosphere which celebrates creativity and to that end provides live entertainment each month, supporting and promoting local musicians and performers. A program of arts workshop activities is included, promoting local artists, craft workers and artisans while offering creative experiences for patrons at the markets.

The Fig Tree Creek Markets are regularly advertised to our database of KCA members via email as well as in local print media. A website and facebook page provide active promotions on Social media.

Proceeds from the stall fees collected also help KCA in other arts related activities within the community.
