

Capricorn Gospel Choir- Keppel Coast Arts AGM report 2022.2023

The Capricorn Gospel Choir has not held any formal functions in the 22-23 year. This has been a result of the lack of a choir leader. While the committee has made a number of attempts to find a new choir leader. While this has been frustrating and a challenge, it is clear that there is a strong desire for this group to operate. The group and KCA get enquiries about the choir regularly.

While the current committee has considered, suspending the choir's operations formally, this is not an outcome we would like to see occur. The choir committee believes this group needs to refocus, considering some changes including:

- Broadening the potential repertoire
- Renaming the choir to appeal to wider audience
- Call new members to join the steering committee.

In the spirit of these changes we have made enquiries about running another Tony Backhouse workshop weekend, as the last time we did this, it was well attended and jump-started enthusiasm about the choir at that time. However, this will be difficult with out choir lead, and any support that can assist is finding this this key person or group, would be appreciated.

The CGC committee thanks KCA and its committee for it support and leadership.
